

# THOMAS ADEWUMI UNIVERSITY

## Nigeria's Leading Light In STEM-I Education

**T**homas Adewumi University is Nigeria's fastest-growing Science, Technology, Engineering, Medicine and Innovations (STEM-I) Ecosystem.

The university was licensed in an era when universities all over the world are experiencing a paradigm-shift due to the demands from the forces of technology, new policies, new curriculum focused on problem-solving, demands of regulatory agencies, ranking and accreditation bodies,

new pedagogy, and so on. In Nigeria specifically, the rapidly increasing population leading to an increased demand for higher education enrolment and the transitioning from analogue to digital learning - based on the lessons learnt from the shutdown of schools due to the COVID-19 pandemic are the major factors shaping the face of university education. TAU, therefore, building on a proud Legacy of over 27 years' experience of developing great minds from the Thomas Adewumi International College (Established in 1996), is driven by a shared purpose: to be the university of choice for excellence and character, where developmental ideas and knowledge Innovation are sourced for the benefit of mankind. The school is at the cutting-edge of providing world-class education through teaching and research, and positively impacting society thereby playing an important role in economic recovery and ensuring that the society is more resilient in the future.

Our community is focused on making the world a better place through an educational system that develops the total person. As a nonprofit institution, we create equal opportunities for everyone who works, studies or just visiting on our grounds to thrive. Though we are an elite institution, providing premium educational services, we are not elitist and discriminatory, rather, we welcome talented people irrespective of their socio-economic or religious backgrounds and lived experiences.

PROF. F.O. OLADIPO  
Vice Chancellor

“As a nonprofit institution, we create equal opportunities for everyone who works, studies or just visiting on our grounds to thrive.”

To enhance students' learning and lecturers' preparation, TAU provides all faculties and full-time, on-campus students with a conducive learning environment, adequate classrooms, ambivalent office spaces, ultramodern e-resource centres, access to some of the world's best publications and easy access to high-speed wireless networking, advanced multimedia technology, and classrooms equipped with the latest educational technology.

# THOMAS ADEWUMI INTERNATIONAL COLLEGE, OKO

... Nurturing Profound Leaders Of Tomorrow

**A**t the heart of the historic town of Oko-Irese, tucked away in a natural tree-lined street, stands one of the most prestigious high schools in Nigeria: Thomas Adewumi International College (TAICO). Founded 27 years ago, TAICO has a long history of attracting the best and the brightest from all over Nigeria and beyond through a highly competitive admissions process.

TAICO is famous for its cutting-edge academic programs, which are designed to challenge even the most gifted students. As an elite institution, we have long been known for the rigorous academic curriculum and exceptional teachers and staff, and for

producing some of the brightest minds in the world. The school's academic program is centered around a core curriculum of math, science, literature, history, and foreign languages. In addition to the core courses, students have the opportunity to take innovative classes in a wide variety of subjects, including computer science. The teachers are renowned for their expertise in their respective fields, with most of them holding doctorate degree.

With an alumni strength of over 500 students, TAICO has indeed earned her flowers as a major contributor to the stream of talented men and women in different career areas such as Medicine, Law, Communications, Engineering, Teaching and so on. Many of our alumni had gone on to be

accepted to study in prestigious universities like Cambridge, Oxford, MIT, Harvard, Cornell, Sandford, etc.

TAICO provides a holistic all-round education that encompasses academic success, good pastoral care, unique leadership training opportunity as well as extensive sporting and extra-curricular activities. The college has the time and space to ensure that every student gets the chance to fulfil his/her potential both in and out of the classroom. We offer a welcoming home-away-from-home, friendly environment where students have the possibility to positively shape both their minds and their personalities.

## SCHOOL FACILITIES

TAICO's campus itself is a testament to the Founder's commitment to excellence. The state-of-the-art facilities include a modern library, fully-equipped laboratories for all branches of science, an auditorium, a gymnasium, and a swimming pool. The school also boasts a number of extra-curricular activities, such as a robotics club, a debate team, a chess club, and a Model United Nations program. These programs provide students with the opportunity to explore their interests and develop their skills outside of the classroom.

## OUTSTANDING ACADEMIC RECORDS/AWARDS

The college has a remarkable, full rounded experience in academics, ranking top 5 among schools in Kwara State.

Every year, the school records excellent performances in all external examination with pass rates being genuinely over 90%. Many graduated students have gone to further education in US, UK and Canada and this makes the college stand out among its peers. TAICO has also received various academic and extra-curricular awards Nationally and International, such as: Microsoft Award 2012, Cowbell Mathematics Competition 2015. Etc.

In addition to the Senior School Certificate Examinations by WAEC and NECO, the college provides preparatory opportunities for international qualifying examinations (SAT, TOEFL, IELTS and Cambridge International Examination) as well as the International General Certificate of Secondary Education (IGCSE).

## STUDENT'S LIFE

The students at TAICO are a diverse group of individuals, united by their passion for learning and their drive to succeed. They come from all over Nigeria and a few countries in Europe and North America, representing a wide range of backgrounds and cultures. However, in spite of their differences, they share a common goal: to push themselves to the limits of their

intellectual potential.

While the academic program at the college is rigorous and demanding, the school is also dedicated to providing its students with a well-rounded education. The school's commitment to community service and social justice is evident in its numerous outreach programs, which allow students to give back to the local community and make a positive impact on the world.

For the students at Thomas Adewumi International College, Oko, their time at the school is a transformative experience. They leave the school with a deep love of learning, a commitment to excellence, and a sense of purpose and responsibility that will serve them well throughout their lives. As one student put it, "TAICO is not just a school, it's a way of life."

## EXTRA-CURRICULAR ACTIVITIES

TAICO inspires and promotes Art and Culture in vibrant and inclusive ways. Our students are creative and talented in Sports, Music, Theatre, Dance and Visual arts.
