Living Here with Diversity

When you start your life in TAU you become part of an international community that welcomes you whoever you are and wherever you come from. We have a hugely diverse student and staff population.

A home away from home

Living in accommodation with other students will give you a great start at TAU. You will make new friends during the first few weeks and these friends often stay with you throughout your university life and beyond.

For more Frequently Asked Questions (FAQs)

For more FAQs please visit the accommodation website.

<https://tau.edu.ng/hall-of-residence>

We offer:

• **Guaranteed accommodation***

All new students are guaranteed* an offer of accommodation in a single, 2 or 4 or 6 occupancy bedroom within our portfolio. *(Terms and conditions apply)

- Accommodations are within walking distance of the main campus – a range of properties are available in the main TAU campus.

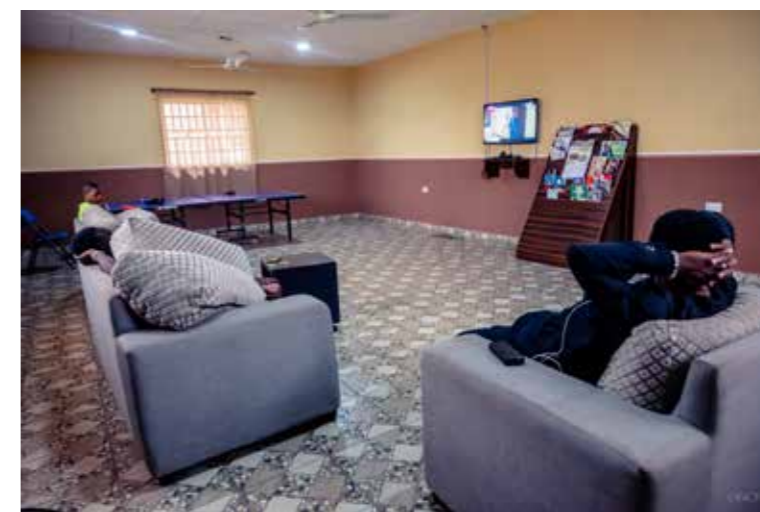

The hall of residences, houses a common room, indoor games room and TV area; study rooms are also available for group or individual projects.

• **Frequent Bus Service** –

TAU students enjoys great transport links with a regular and direct bus service to our Main campus on resumption and vacation which marks the begining and the ending of the semester and session respectively.

• **24/7 maintenance support**

• **Consistent Power supply and Wireless network throughout.**

When to apply

- Applicants who have firmly accepted an unconditional or conditional offer of admission will be able to apply online for accommodation up to the application deadline. We endeavour to allocate first choice where possible.

Campus resources

As a student of the University you will have access to a wide range of support services and world-class teaching and learning facilities.

• TAU library –

TAU main library and
Elizabeth Ayodele law library

• 24/7 computer lab access

• **Careers Service** – A dedicated team who can help our undergraduate students develop skills, work experience and mentoring.

• Researcher Development –

A group who support research student's personal and professional development by working to enhance transferable skills; stimulate creativity and maximise career potential.

• Audio -Visual Studio

• Student portal –

A secure web-based portal through which you can view and check your personal details, course enrolments, timetable, accommodation fees, library loans and exam results

• A range of food outlets

offering several options that fits into an appetizer, main dish, and dessert.

• Science Teaching Hub –

Our flexible, state-of-the-art laboratories designed to accommodate interdisciplinary teaching

OUR COLLABORATIONS AND LINKAGES
